[58 FR 9124, Feb. 19, 1993, as amended at 59 FR 3795, Jan. 27, 1994; 60 FR 27699, May 25, 1995]

§ 13.11 Holding more than one commercial radio operator license.

(a) An eligible person may hold more than one commercial operator license except as follows:

(1) No person may hold two or more unexpired radiotelegraph operator's certificates at the same time;

(2) No person may hold any class of radiotelegraph operator's certificate and a Marine Radio Operator Permit;

(3) No person may hold any class of radiotelegraph operator's certificate and a Restricted Radiotelephone Operator Permit.

(b) Each person who is not legally eligible for employment in the United States, and certain other persons who were issued permits prior to September 13, 1982, may hold two Restricted Radiotelephone Operator Permits simultaneously when each permit authorizes the operation of a particular station or class of stations.

§ 13.13 Application for a renewed or modified license.

(a) Each application to renew a First Class Radiotelegraph Operator's Certificate, Second Class Radiotelegraph Operator's Certificate, Third Class Radiotelegraph Operator's Certificate, Marine Radio Operator Permit, GMDSS Radio Operator's License, or GMDSS Radio Maintainer's License must be made on FCC Form 756. The application must be accompanied by the original document or a legible photocopy unless it has been lost, mutilated, or destroyed.

If the license has been lost, mutilated, or destroyed, submit a written explanation. The application must be accompanied by the appropriate fee and submitted to the address specified in part 1 of the rules.

(b) A licensee may submit an application for renewal of an unexpired license during the last year of the license term. If a license expires, application for renewal may be made during a grace period of five years after the expiration date without having to retake the required examinations. The application must be accompanied by the required fee and submitted to the address specified in part 1 of the rules. During the grace period, the expired license is not valid. A license renewed during the grace period will be effective as of the date of the renewal. Licensees who fail to renew their license within the grace period must apply for a new license and take the required examination(s).

(c) Each application involving a change in operator class must be made on FCC Form 756. Each application for a commercial operator license involving a change in operator class must be accompanied by the required fee, if any, and submitted to the address specified in part 1 of the rules. The application must include:

(1) An original PPC(s) from a COLEM(s) showing that the applicant has passed the necessary examination element(s) within the previous 365 days, and

(2) A copy of the applicable license(s) when the applicant claims credit for an examination element. The FCC will give credit only as specified below to an applicant holding any of the following documents:

(i) An unexpired (or within the grace period) FCC-issued commercial radio operator license: the written examination and telegraphy Element(s) required to obtain the license held.

(ii) An unexpired (or within the grace period) FCC-issued Amateur Extra Class operator license: Telegraphy Elements 1 and 2.

(d) Provided that a person's commercial radio operator license was not revoked, or suspended, and is not the subject of an ongoing suspension proceeding, a person holding a General Radiotelephone Operator License, Marine
